Reference Camp 020 report dated 21st August in
reply to W.R.C. memorandum of 4th August. We should
like more information on the following paragraph:-

W.R.

"WAKU" was personally in touch with the
Iron Guard through the liaison officer of the
Iron Guard, a man named AMMER. (KALIKRONOMER
mentioned that AMMER had once been in Austrian
territory and also a prisoner in the Reich
after the Iron Guard Putsch.)

Is the AMMER referred to identical with
Stuhf. AMMER of Art VI E 7? Perhaps AMMER himself
could be interrogated on this point.
